

Introducing a better way to care
for natural stone and tile.

The industry needed it. We delivered.

We spent years working with the leading stone and tile care companies. We knew the products could be better - more effective, safer and easier to choose. It's not the same old stuff in different bottles.

It's **MORE™** Surface Care

MORE™ Surface Care

A Better Way To Care for Natural Stone and Tile

Stone & Quartz Cleaner Peppermint & Thyme

This 2-in-1 daily cleaner and protector is formulated specifically for cleaning and protecting natural stone and quartz surfaces. Its neutral pH formula is safe for everyday use and will not degrade the sealer. It can be used on marble, quartzite, granite, limestone, travertine, onyx, slate, soapstone, and other natural stone and quartz.

Stone & Quartz Cleaner with Antimicrobial Protection Peppermint & Thyme

This 3-in-1 daily cleaner and protector has an antimicrobial feature that inhibits the growth of bacteria, mold, and mildew. It is safe to use on natural stones (marble, granite, quartzite, limestone, travertine, basalt, soapstone, dolomite), quartz, porcelain, and tile.

MORE™ Surface Care

A Better Way To Care for Natural Stone and Tile

Alkaline Cleaner

A concentrated, professional strength alkaline cleaner formulated specifically for cleaning and restoring natural stone, tile, ceramic, porcelain, grout, and concrete. Safely removes grease, oil, and ground in dirt and grime from floors, counters, and other high traffic areas.

Oil Stain Remover

A specially formulated poultice compound designed to safely and effectively extract set-in oil stains from natural stone, grout, and concrete surfaces. It's easy to use, and it will not leave a residue or discolor stones.

MORE™ Surface Care

A Better Way To Care for Natural Stone and Tile

Stone & Tile Cleaner

A concentrated daily cleaner formulated specifically for cleaning natural stone, tile, grout, ceramic, porcelain, and concrete surfaces. Neutral pH formula safely dissolves dirt and grime with no streaking. No rinsing is required.

Premium Stone Sealer

This water-based sealer is packed with the latest technology that delivers elite stain protection. The polymers actually bond within the pores of the stone and create a durable, long-lasting, invisible barrier that stops oil and water based staining. Perfect for exterior and interior stone countertops, patios, walls, and floors. Use on granite, limestone, marble, travertine, quartzite, bluestone, slate, concrete, onyx, concrete, cement tile, and other natural stone.

Infinity Lifetime Warranty Kit

The MORE™ Infinity™ Lifetime Warranty Program provides that extra level of protection for granite and marble. Having a stain protection warranty gives you peace of mind when it comes to protecting your countertop investment with a full countertop replacement, not a new bottle of sealer.

If your countertop does get a stain, MORE™ will send out a technician to remove the stain. If the stain is unable to be removed, MORE™ will pay for a new countertop; labor, and materials.

The Warranty kit includes one 32oz bottle of MORE™ Infinity Lifetime Warranty Stone Sealer (with serial number) and a gift box of one bottle of MORE™ Stone & Quartz Cleaner + Protector w/Built-in Antimicrobial Protection, and our MORE™ Care Guide.

The MORE™ Infinity™ Lifetime Warranty.

- Residential countertops are covered by a Lifetime warranty against food and beverage stains on residential countertops.
- Commercial countertops are covered against stains for 10 years (granite only).
- Exterior countertops are covered against stains for 1 year (granite only).
- No need to reseat during the warranty coverage period.
- If a stain occurs, MORE™ Surface Care will send a technician to remove the stain. If the stain can't be removed, MORE™ will pay for the replacement of your countertop (includes labor & materials).
- We cover granite and marble.
- Existing countertops are eligible for the warranty.
